RESQ-HAMMER

RESQ-HAMMER

This innovative and versatile emergency hammer features a sleek, modern design with a unique shape and knuckle guard.

The stainless steel hammer head easily breaks car side windows, and the razor-sharp blade cuts swiftly through jammed seat belts. Easy to install in your car with its mounting bracket, it can be attached to various locations inside your vehicle to ensure it will be within reach “When seconds count...”.

DIMENSIONS: 16.50L x 7.60W x 1.90D (cm.)

WEIGHT: 95 gr

MATERIALS: Polypropylene plastic | Stainless Steel

RESQ-DEFEND

RESQ-DEFEND

defendme® is a sleek personal alarm featuring a siren to maximize attention to yourself when needed for self defense. The piercing 120 dB siren can be heard up to 300 feet (100 meters) and will provide a practical protection and deter dangerous threats when seconds count!

DIMENSIONS: 7.15L x 3.15W x 1.30 (cm.)

WEIGHT: 20 gr

MATERIALS: ABS plastic | Aluminum

LOUDNESS: The alarm is about 120 decibels (can be heard up to 300 feet)

BATTERIES: Replaceable CR1632 3V (x2). About 30 minutes of continuous loud sound

SDS: Lithium Metal Batteries

IN COMPLIANCES WITH: CE Mark | RoHS

RESQ-ALERT

RESQ-ALERT

About the size of a bluetooth earpiece and lightweight, the alertme® is the latest and safest lifesaver electronic device that helps prevent accidents caused by falling asleep behind the wheel.

The alertme® device works by detecting when the user's head nods while driving or working which indicates that you may be feeling drowsy. When active, the alarm emits a 90 decibels sound which is the equivalent to a police whistle. Its ergonomic design makes it very comfortable to wear and improves your vigilance on the road.

DIMENSIONS: (Standard) 7.60L x 4W x 1.30D (cm.)

(Deluxe) 9.90L x 5.08W x 2.54D (cm.)

WEIGHT: (Standard)12 gr (Deluxe)17 gr

MATERIALS: ABS plastic | Mercury Free

BATTERIES: (Standard) Replaceable LR41 (x3). Will last about 30,000 rings.

(Deluxe) 1 Lithium ion batteries required & included.

SDS: Alkaline Button Cell (Dry Cell)

US DOT (49 CFR 172.102 Provision 130) | IATA (A123)
