

# PORTABLE FLOOR FANS

## Description:

These portable floor fans are excellent for circulating air and cooling in a wide variety of applications such as offices, lunchrooms, cafeterias, warehouses, factories, etc. The Portable Floor Fan comes with a 3 speed motor and the ability to be vertically adjustable. The fan's design and construction ensures that the fan circulates air both quietly and efficiently. The Portable Floor Fans are available in a wide range of sizes allowing the user to best select the size that best suits their application.

## Features:

- ⊕ Premium quality fans
- ⊕ Full range of sizes to suit any application
- ⊕ 3-speeds and adjustable oscillation
- ⊕ Low wattage means cheaper running costs

## Specifications:
