

## Manufacturing Team Member

**Location:** Kirrawee

**Job Type:** Full-time

**Start Date:** ASAP

### Why Join Us?

- **Work-Life Balance:** Monday to Friday, 8:00 am to 4:00 pm – keep your evenings and weekends free.
- **Career Growth:** Great opportunity for development in a hands-on manufacturing role.
- **Local Location:** Based in Kirrawee – ideal for those looking to work closer to home and skip the city commute.

### About Us

We are a proudly family-owned business with over 25 years of success. As a trusted manufacturer and importer of high-quality cooling, heating, and ventilation equipment, we support customers across the Industrial and HVAC sectors. We're passionate about delivering outstanding products and customer service, and value a team environment that is supportive and growth-focused.

### The Role

We are looking for a motivated and dependable **Manufacturing Team Member** to support our production team with day-to-day operations. This role offers excellent variety, from hands-on manufacturing and assembly to basic welding and warehouse tasks. It's perfect for someone who enjoys practical work, learning new skills, and being part of a close-knit team.

### Key Responsibilities

- Assist in the manufacturing and assembly of climate control products.
- Perform MIG welding using thin mild steel.
- Safely and efficiently use hand and power tools.
- Contribute to workshop maintenance and general duties.
- Maintain a clean and organised workspace.
- Assist with container unloading and general warehouse tasks.
- Adhere to Work Health & Safety (WH&S) procedures.
- Carry out additional tasks as directed by the Manufacturing Supervisor.

### **About You**

- Some experience or a strong interest in manufacturing or assembly.
- MIG welding skills (basic level) preferred.
- Confident operating hand and power tools.
- Physically fit and capable of manual handling.
- Positive attitude, strong work ethic, and a team player.
- Willingness to learn and take initiative.
- Good communication skills.
- Basic computer literacy.
- Some experience with simple electrical tasks is a plus.

### **Highly Regarded**

- Valid forklift license.
- Experience with basic wiring of electric motors and switches.
- Previous manufacturing or production experience.

### **What We Offer**

- A secure, full-time position with a competitive salary.
- A friendly and supportive team culture.
- On-the-job training and long-term development.
- Stable weekday schedule with no weekend work.
