

PROBLO-MAX

When serious airflow is required, the **PROBLO-MAX** delivers unmatched performance and cooling power. Designed to tackle larger spaces and hotter conditions, this jetfan-style handheld blower combines maximum airflow with rugged durability, making it the ultimate solution for demanding environments. With its advanced technology, robust design, and powerful performance, the **PROBLO-MAX** is built to handle anything. Whether you're working, camping, or tackling tough clean-ups, **PROBLO-MAX** delivers bigger air, bigger results. Experience power, performance, and precision – choose the **PROBLO-MAX**.

Key Features:

Powerful Airflow: Equipped with larger, high-efficiency blades to move serious air, keeping you cool and comfortable even in extreme heat.

LED Spotlight: Built-in LED light for enhanced visibility in low-light conditions, making it perfect for night work or outdoor adventures.

8-Cell 10C Energy Battery: Long-lasting rechargeable lithium battery with a runtime of up to 80 minutes, ensuring consistent performance when you need it most.

Variable Speed Control: Adjust airflow to your needs, from light cooling to high-powered performance.

Versatile Uses:

The **PROBLO-MAX** is more than just a handheld fan –

it's a powerful air blower for cleaning and drying. Use it to:

Clear dust and debris from workbenches, tools, and equipment.

Clean out car interiors, electronics, and hard-to-reach areas.

Speed up the drying process of wet surfaces.

Enhance airflow in confined spaces.

The **PROBLO-MAX** also features an integrated LED spotlight for improved visibility in low-light conditions.

SPECIFICATION	
Model No	PROBLO-MAX
Power Output	750W
Rated Input	16.8V
Air Displacement	55m/s
Speed	Variable Max 55m/s
RPM	50,000
Charging Interface	DC
Battery Capacity	4000mah
Charging Time	3 Hours
Battery Life	12min-80min
Working Temperature	0°C~40°C
Product Size	282*115*73mm
Product Weight	830g
Warranty	12 Month
